## Christmas Parade 2022

Thanks to everyone who attended this year's Chamber Christmas Parade in Downtown Historic Gladewater Friday night after a four-day rain delay. The judges had some tough decisions but these are the winners - First Place was CUB SCOUT PACK 196, Second Place was CHARLIE SNOWBALL with real snow, and Third Place was won by SOMMER'S WELDING! And thanks to this year's Man and Woman of the Year - Jim Bardwell and Cathy Shipp.

MERRY CHRISTMAS TO EVERYONE!!!

# OPINION/COMMENTARY

**THE FIRST AMENDMENT:** Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of all the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

## ...reaching for Christmas

The last couple of years have brought isolation, loss and loneliness for many. As we approach Christmas Day let us be grateful for what we have, and for what we have had. Life is far too short to hold on to heartbreak, anger and grudges. Follow the light of the Christmas Star to the Prince of Peace and choose joy even in the midst of darkness. The light will come. Hold on, and if you feel that you can't, reach for someone who can. Soon you will find that you are the hand someone else is reaching for. May the light of Christmas fill your heart and feed your soul.

### What i can afford to give you

*I can not give you an impressive gift.  
Only wishes, which are in short shrift  
in a world that values things above all else,  
and is ever concerned with the  
fulfillment of self.*

*So on this day most holy,  
my gifts to you are only--  
the ones that from the heart springs  
and have meaning only if you have  
the eyes to see.*

*I WISH FOR YOU:  
--a sense of wonder your whole life through  
so that life is ever new--*

## The Best of Suzanne Bardwell

*--the realization that the joys of life  
and good health  
are not found in things and wealth.  
Along with your health may you always keep  
the knowledge that to see, and hear, to walk  
and talk, and think;  
are miracles, gifts,  
not a promise that is cheap-*

*--I wish for you love and the ability not to take  
it for granted,  
whether it is a mate, a child or friend,  
for we must remember that hearts are the  
hardest things to mend--  
--And finally, when you are overwhelmed with  
the cares and problems of this life,  
May someone remind you that it really is  
A WONDERFUL LIFE!  
Merry Christmas!*

Suzanne Brown Bardwell

### WHAT LIVES MATTER?

We hear a lot today about "Black Lives Matter." It has become a slogan which is painted on signs for protest marches, with some cities even painting it on the streets. Actually, the "Black Lives Matter" organization itself, has become a scam, enriching its leaders. I want to go on record, saying that "All lives matter." But sadly, many people today want to dictate what lives matter, and certain categories are singled out as being of more worth than others. For example, the unborn, are not considered to be worth much in the eyes of many, and their lives can be snuffed out as a matter of course and convenience. These want to pick and choose which lives have value. This is actually what this little article is about.

Any intelligent person will admit that the unborn is a human life. So, the real question is not WHEN human life begins, but WHAT IS THE VALUE OF HUMAN LIFE, regardless of color or nationality, born or unborn. We cannot diminish the value of one category of human life; the unborn; the handicapped; the old; one's race, etc., without diminishing the value of all human life!

More and more, we are hearing people speak of "mercy killings," "death with dignity," and "quality of life." I am pleading for "mercy living," "life with dignity," and "sanctity of life" Therefore, we must affirm and protect the sanctity of ALL human life, or embrace a social ethic where some human lives are valued and others are not. Concerning the killing of the unborn (abortion) Mother Teresa said: "Abortion is a crime that kills not only the child but the consciences of all others." Former President Ronald Reagan said: "Abortion concerns not only the unborn child, it concerns every one of us." Abraham Lincoln recognized that we could not survive as a free land when some men could decide that others were not fit to be free and should therefore be slaves. Likewise, we cannot survive as a free nation when some men decide that others are not fit to live and should be abandoned to abortion or infanticide. It is a progressive, subtle, slippery slope from abortion, to infanticide, to euthanasia We cannot diminish the value of one category of human life-the unborn-without diminishing the value of all human life!

Finally, don't forget that if ever there was a killing without mercy, and a death without dignity, carried out by sinful man, it was on Golgotha. Yet, from that killing, what an outpouring of love and mercy through the subsequent centuries! From that death, what a stupendous enhancement of human dignity! (Jn. 3: 16; Rom. 5: 8). Think on these things.

**NOTICE OF RATE CHANGE REQUEST**

Southwestern Electric Power Company (SWEPCO or the Company) publishes this notice that on September 30, 2022, it filed its Statement of Intent and Application for Authority to Amend Transmission Cost Recovery Factor (TCRF) with the Public Utility Commission of Texas (Commission) in Docket No. 54040. The filing was made in accordance with the Public Utility Regulatory Act (PURA) § 36.209 and 16 Tex. Admin. Code (TAC) § 25.239. The TCRF will recover SWEPCO's reasonable and necessary costs for transmission infrastructure improvements as well as changes in wholesale transmission charges under a tariff approved by the Federal Energy Regulatory Commission (FERC) to the extent that the costs or charges have not otherwise been recovered. In this application, SWEPCO seeks to recover its transmission capital investments from April 1, 2020 through June 30, 2022. SWEPCO also seeks to recover through the TCRF approved transmission charges that are not otherwise being recovered through current rates. This notice is being published in accordance with PURA § 36.103 and 16 TAC § 22.51(a)(1).

**STATEMENT OF INTENT TO CHANGE RATES**

SWEPCO requests that the Commission approve an increase of \$8,441,187 above the revenue requirement approved by the Commission in SWEPCO's last base rate case, Docket No. 51415 for its Texas retail customers. This amounts to a 2.1% percent increase in SWEPCO's overall annualized Texas retail revenue requirement. SWEPCO proposes that its requested rate change become effective 35 days after the filing of the Statement of Intent and Application. The proposed effective date is subject to suspension and extension by actions that may be taken by the Commission.

All customers in SWEPCO's Texas retail rate classes will be affected by this change. The impact of the rate change on various customer classes will vary from the overall impact described in this notice.

**CONTACT INFORMATION**

Persons with questions or who want more information on SWEPCO's Statement of Intent and Application may contact SWEPCO at 428 Travis Street, Shreveport, Louisiana 71101, or call toll-free at (888) 216-3523 during normal business hours. A complete copy of the Statement of Intent and Application and related filings is available for inspection at the address listed in the previous sentence.

Persons who wish to intervene in or comment upon these proceedings should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136. A request for intervention or for further information should refer to Docket No. 54040. Unless otherwise ordered by the presiding officer, motions to intervene will be due 45 days from the date SWEPCO filed its Statement of Intent and Application with the Commission.
