## Flanagan signs up for mayor in Gladewater

The Spring 2024 election cycle is getting underway here with a handful of city and school positions bound for local ballots May 4.

Already there's a shuffle ahead for Gladewater City Council with Places 1, 2 and 3 up this

opened Jan. 17 and current Place 3 council member Brandy Flanagan last week officially submitted her

cycle, filing

bid for a third term, aiming for the central seat on the dais at City Hall this time. Place 1 is the Mayor's chair, and incumbent Scott Owens confirmed Friday he'll be filing for Place 3, seeking another stint in city leadership but not at the helm.

In Place 2, council member Michael Weber says he hasn't yet decided if he'll pursue a second term on the city roster.

Filing for the City of Gladewater continues until end-of-business on Friday, Feb. 16. Application packets for any of the city's three seats are available at Gladewater City Hall, and candidate qualifications are posted at cityofgladewater. com/city-council/

On Monday, Gladewater ISD's Board of Trustees officially approved their Joint Election Agreement with the City of Gladewater and subsequently approved an order confirming the district's Election Day is May 4 with two regular seats in the mix (Places 6 and 7) as well as a special election for the unexpired Place 5 term.

Board Secretary Danielle Budro (appointed in 2023) has filed for re-election to her Place 6 position. Board Vice President Jeff Cook (elected in 2015) said he intends to run for re-election to Place 7. and Corina Arevalo (appointed last year) says she will file to finish the full term of Place 5 (up again in 2026).

With the same filing period as the city, applications are available from Melissa Dennis, GISD Secretary to the Superintendent and Board of Trustees, and due back to her no later than 5 p.m. Feb. 16. Find election information at gladewaterisd.com/Page/75

In White Oak, city council positions are two-year terms and evennumbered years put the Mayor and council Places 4 and 5 in contention – Mayor Kyle Kutch, council member John Frazier (Place 4) and Mayor Pro Tem Kevin Hood (Place 5) are incumbents. As of Tuesday morning, no one had submitted the official paperwork for the '24 election with several weeks left until the filing deadline at 5 p.m.

# Texas Gov. Abbott proclaims January **School Board Recognition Month**

January is officially School Board Recognition Month in the state of Texas! Gov. Abbott issued a proclamation stating, "Ensuring an excellent education is the work of many, and local school boards collaborate with teachers, parents, and stakeholders to promote state and national standards in ways that reflect the community's values." January is School Board Recognition Month and Gladewater ISD, Union Grove ISD and White Oak ISD are celebrating its trustees for their dedication and commitment to the district and its students.

The theme of this year's School Board Recognition Month is Locally Elected, Community Connected, which highlights the connection between school trustees and their communities. School board members are the largest group of locally-elected officials in the state.

The Gladewater ISD School Board includes (from left) trustee Corina Arevalo, Vice President Jeff Cook, board members Rickie Blackmon, Chris Thompson, Garth Cockerell and Board Secretary Danielle Budro, Board President Ross Morgan is not pictured.

Union Grove School Board Members: (from left) Assistant Secretary Michael Potter, Brian Cox, Tim Bower, Secretary Tim Turner, President Jody Day, Karey Barbee and Vice President Justin Smith.

The White Oak ISD School Board includes (seated, left to right) Secretary Donna Stagner (Place 6), Vice President David Carr (Place 1), President Lance Noll (Place 5), (standing, right to left) Dr. David Ummel (Place 7), Jessica Hughes (Place 2), Stephanie McKinney (Place 3) and David Trest (Place 4) alongside Superintendent Dr. William Paul.

# Gladewater approves \$2.8M water project

The City of Gladewater is pushing forward with plans for \$2.8 million in water system improvement projects after city council members approved some key paperwork steps last week.

With Jan. 18's unanimous approval of their second resolution of 2024, the council signed off on the "publication of notice of intention to issue combination tax and surplus revenue certificates of obligation to the Texas Water Development Board to provide funds" including \$850,000 in financing and \$1,941,380 in principal forgiveness from the Drinking Water State Revolving Fund (DWSRF).

Simply put, "This is a great deal for the city, that amount of loan forgiveness and grant," Mayor Scott Owens said. "Basically, this is a loan and a grant that's been approved by the Texas Water Development Board. This authorizes us to publish our intent for certificates of obligation to cover the loan part of this.

"It has to stay out for publication for 45 days... Then we can get the funds to go ahead and do the work."

With the financial assist, City Hall aims to replace deteriorating water mains, add looping through the water distribution system and fund upgrades at the water treatment plant.

In other business during the group's first session of the new year, the

council held a short public hearing before unanimously signing off on a zoning change request, residential-to-light commercial for Harold Simmons' property at 831 N. Main.

The front portion of the site is already zoned for light commercial, Public Works Director Al Harrison noted, and the city's Planning & Zone Board unanimously-approved the request: "He's just doing it at the advice of his real estate" in advance the property goes up for sale, Harrison noted.

Council members also approved the sale of a city-owned piece for property (a residential spot too small for a residence) to the high bidder for \$525. Gregg County Appraisal District lists a value of \$470 for the property (Lots 1 through 3 in Block 5 of the Mallock Addition).

On their consent agenda, items typically approved as a group with no discussion, the council signed off on their Dec. 21 meeting minutes, the city's investment report for the last quarter of 2023, an ordinance to order city officer elections for Saturday, May 4, and a joint election agreement with Gladewater ISD.

The elected officials closed the Jan. 18 gathering with a short executive session, meeting with their attorney behind closed doors about the community's ballpark. They took no action after returning to open session.

# **WOISD** seeks to grow in enrollment

#### **By James Draper**

There's room to grow at White Oak ISD, and district leadership is looking to invest in expanding the student body – and, consequently, the budget – one spot at a time.

During their Jan. 18 board meeting, trustees heard a presentation on Town Square Media's digital marketing opportunities, specifically how radio advertising and geo-fencing / social media could help the school reach new families and, ultimately, increase enrollment.

"We're hoping to boost our transfer numbers," said WOISD Superintendent Dr. William Paul. The total package under consideration comes in at about \$55,000, he noted: "We're trying to figure out if we're going to do month-to-month or in three-month chunks."

It's a working idea right now.

"We've never done this before," Paul said, aiming to first cover the cost of the marketing then realize gains the school can put toward improvements: "For each enrollee, money from the state is generation. Of course, there's some federal monies that come with that."

Funds generated by the addition of four or five new students (over typical growth) would likely cover the cost to Town Square, he noted.

"Anything you got over that would allow you to enhance your budget to provide better opportunities for our students, maybe upgrade some facilities and things of that nature," Paul added.

Postponed two days from Jan. 16 due to the freeze, the Jan. 18 meeting began with a celebration of School Board Recognition Month. Trustees reviewed the '24/25 district calendar and heard campus updates along with a utilities expenditure report before hiring Nikki Baudat as a high school Life Skills teacher.

Taking no action after a closed session, the board pushed their discussion of superintendent goals to their next meeting.

"It's a good opportunity for the board to give me some feedback about what they've seen and if they think I've done well," Paul said, "plus areas they see for growth."

The trustees scheduled a special meeting for Feb. 5 to consider the district's audit report ahead of their next monthly meeting Feb. 12.

As far as the recent frigid weather, the district shut down Jan. 16-17 (in addition to Martin Luther King, Jr. Day) then resumed classes without any significant issues from the winter storm.

'Tell you what, I hope it doesn't do it again, because if it does we'll have to use our weather days."

#### ...Larry King called me 'Sugar'

...Larry King called me "Sugar"

Close encounters are a result of experiences 'alien' to our everyday lives. I can't claim to have had one with ET or harmonic chord playing aliens from outer space. But I have had my fair share with celebrities as a result of being Mrs. Jim Bardwell. I was reminded of one of my favorites a couple of days ago when iconic talk show host Larry King passed away from COVID complications.

It was 1990 and Walt Disney World's MGM Studio had closed to the public for premier celebrations of "Dick Tracy" starring Warren Beatty, Dustin Hoffman, Al Pacino and Madonna. And my talented hubby was on the press list, with his handy dandy sweetie sidekick in tow. Buffet lines were everywhere...so were hospitality 'watering holes' catering to the less disciplined among the thirsty press corps.

We had been gifted with dashing Dick Tracy fedoras. The streets of the MGM Studio theme park were filled with press, celebs, food and drink. As I went through the buffet line that looked like an upscale foodie dream, I realized I had forgotten my fork. I turned back to see Larry King behind me. "Mr. King, could you please pass me a fork?" And the legendary interviewer growled with a grin, "Sure, Sugar, here ya go."

After eating elbow to elbow with Mr. King, maybe near is more accurate, this starstruck country kid with camera in tow, was shown to a cordoned area for photographers when the premier parade began. At that time of my life, I was a high school journalism teacher, as well as hubby's designated photographer. So I definitely had stars in my eyes, BIG ones. I was in a photo pen with guys from the Chicago Tribune, Chicago Sun, Orlando Sentinel, New York Times and on and on. Me with my affordable camera, them with equipment costing thousands.

I can't remember who all the celebs were in the parade because Disney Pixie Power pulled as much as it could from the MGM stable of stars. But one of the 'less notable' celebrities was Morey Amsterdam whose claim to fame came with the '60s TV hit "The Dick Van Dyke Show". Amsterdam was very elderly, and obviously very excited to be there waving excitedly at the crowd.

The very drunk Chicago photographer next to me began to shout "Morey, you're dead. You just don't know it. Go home." And that is when I lost my feeling of professional intimidation. I lost my reticence. I lost my temper and I laid into that drunk hotshot photographer as if I were HIS high school journalism

# **The Best of** Suzan Bardwell

And, you know what happened? All the press photogs around me cheered. You know why? I stood up to a bully. They also had my back. I don't know where the shouter went but he stumbled away. When my hubby and I reconnected I could not wait to tell him my story. Of course it may have gotten a little shinier. After all it was the night Larry King called me "Sugar", Dustin Hoffman waved for my camera (my opinion here) and I stood up to a hot shot national press corps guy.

Jim Bardwell wasn't surprised at all. (I don't know what that says, but I think he was proud of me.)

So, Mr. King, thanks for the fork, and the memory. Chicago hot shot, I hope you learned to be kinder. And Sweetheart thanks for opening the world to your church camp, country girl sweetheart. As soon as it's safe, it is time for another adventure. Sugar can't wait.

## **CREATION-CLARITY OR COMPROMISE?**

When asked about the creation account in Genesis, you hear: "I believe the gap theory," or "I believe in theistic evolution," or I take the day-age theory," or "I'm not sure, but it doesn't really matter when or how, God created, just that He created." It is little wonder that people are confused about the Bible's account of creation, with all of the compromising positions clearly denying what God's word "clearly" teaches about origins.

Our children are being taught in public schools and colleges, through the media, in museums, and public parks, that life and the universe arose by natural processes. They are being inundated with astronomical evolution (the big bang), geological evolution (millions of years), biological evolution (Darwin's view), and anthropological evolution (ape-like creatures becoming humans); positions that totally contradicts the clear teaching of Scripture.

Organic evolution is basically taken for granted today, and is taught in elementary, junior high, and senior high schools, as well as in most colleges and universities. It has permeated the thinking of increasing numbers of our young people, as opposed to what the Bible says. Many academics tell us that we can't take the Bible account of creation as written, and therefore, we need them to tell the rest of us the correct meaning of what it really says. I would rather believe 1 Thess. 2: 13, which says: "When you received the word of God, which you heard from us (apostles), you accepted it not as the word of men, but as it is in truth, the word of God..."). The Bible is inspired (God breathed) (2 Tim. 3: 16). It is God's word, and not just the words of men.

Misinformed preachers and professors who do not hold to the clear teaching of God's word in Genesis, (Gen. 1: 1) are sending an unclear message, and doing untold damage to themselves and to those they teach. Think on these things.

#### HELEN LYDIA DUNNAVANT

Helen Lydia Dunnavant, born on January 24, 1937 in

in Longview.

She was a lifelong member of the Gladewater First Methodist Church. She was just honored as the oldest living member and the first one baptized there. It is with a heavy heart and sadness that we announce that she is headed to her heavenly reward. There she will gain her angel wings and be reunited with the ones gone before her.

Helen, who everyone called Granny, was born to Marvin and Thelma Pursel. She attended Gladewater High School, where she graduated and met her high school sweetheart, Leroy Dunnavant. They married on Dec. 10, 1955. She was a homemaker and raised four children, while being the wife of a career Army husband. She was stationed in Germany twice, Hawaii and other bases across the country. Granny loved music, puzzles, crocheting, her dachshund pup Polky and

she was a great cook. Her favorite flower was the yellow rose and she loved pictures of tigers.

Helen was survived by her daughter inlaw Ruth Dunnavant of Longview, her daughter Debra Dunnavant of White Oak, son and daughter inlaw Bruce and Kandi Dunnavant of Melbourne, Florida and daughter and son-inlaw Mary and Derek Hunter of Gladewater. She was the Granny to 10 grandchildren, Shane, Marshal, Amanda, Brady, Miles, Dixie, Cody, Colton, Clinton and the late Benjamin. and Great-Granny to many great grandchildren.

She is preceded in death by her parents Marvin and Thelma Pursel, brother Dan Pursel, sister Janie Smith, husband Leroy Dunnavant, son Roy Dunnavant and grandson Benjamin Hunter. Granny was loved by all and will be deeply missed. Granny has influenced many people and was one of the sweetest ladies ever. She touched many lives. May her legacy live on forever.

Funeral services for Helen were held on Thursday, January, 18, 2024 at 3 p.m. at Croley Funeral Home in Gladewater.

### **Union Grove** Lions, Lady Lions post key district wins

#### **By Kimber Smith**

Union Grove's varsity basketball teams have scored key wins in the first round of district play.

The Lady Lions defeated Harleton (34-31), Linden-Kildare (55-39), Ore City (43-11), Big Sandy (67-25) and most recently McLeod (33-25), when Ava Wightman tallied 10 points, eight steals and six rebounds and Sarah Prince earned 10 points, 10 rebounds and four steals. The Lady Lions suffered only one district loss in a close rivalry game with Hawkins (54-50).

In the first round of district play, Wightman led the Lady Lions with an average of 14 points, 7.2 rebounds and 5.5 steals per game, followed by Jamie Webb with an average of 8.6 points and 3.1 steals; Prince with 4.4 points, 6.2 rebounds and 2.8 steals; and Jenna Scott with 4.1 points, 2.4 rebounds and 2.8 steals per game.

The Lions defeated Ore City (47-24) and Big Sandy (73-72) but lost to Hawkins (62-50) and McLeod (62-33). The boys have two games remaining in the first round of district: Jan. 16 against Harleton and Jan. 19 against Linden-Kildare.

Jace Roberts led the Lions through the first three games with an average of 16 points and 13 rebounds per game. Jaxson Daniels averaged 15 points and three assists, and senior Peyton Laake averaged 14 points and two steals per game.

Boys and girls JV and varsity teams are all scheduled to play Harleton at home Jan. 16 starting at 4 p.m., weather permitting.

# Gladewater, White Oak basketball roundup

#### **By Tyler Sutton**

High School Basketball district season continued in full swing this week for Gladewater and White Oak

The Gladewater Bears were in action twice this week. Originally scheduled to play on Tuesday, the game was pushed back a day to Wednesday because of the nasty winter weather that came through east texas this week. The Bears hosted Sabine on Wednesday night, January 17th and ultimately fell to the Cardinals 76-29. Then on Friday January 19th, the Bears fell to Hughes Springs. The two losses dropped the Bears to 2-20 on the season and 0-3 in district play.

They will be back in action on Tuesday, January 23<sup>rd</sup> with a home game vs New Diana then on Friday, January 26th with a road game at White Oak. Moving over tor the Lady Bears, they had a battle for first place in district on Wednesday, January 17th as they took on the Sabine Lady Cardinals at home and came away with a victory and sole possession of 1st place in district by a score of 65-43. Paytin Thompson finished with 25 points, Calice Henderson and Kyla Lincoln combined for 24.

Calice Henderson had 14 points, seven rebounds, four blocks and two steals, and Lincoln finished with 10 points, four assists, three rebounds and two steals. Karlee Moses chipped in

with six points and seven rebounds, RaMya Ransom three points, five rebounds, five assists and three steals, Khera Lincoln five points and Ava Langford two points and three rebounds.

Then on Friday, January 19th Gladewater made the trip to frigid Hughes Springs and came away with a dominant 55-18 win over the Lady Mustangs. Kyla Lincoln led with 13 points and 4 steals, Ava Langford 10 points and 3 rebounds, Paytin Thompson 9 points and 8 rebounds, Calice Henderson 7 points and 6 rebounds and Khera Lincoln 7 points and 2 rebounds.

The 2 wins improves the Lady Bears to 13-12 and 5-0 in district play. Gladewater will be back in action on Tuesday, January 23rd with a home game vs New Diana and then hit the road for the short trip to White Oak on Friday, January 26th.

Moving over to White Oak, the RoughNecks basketball team was also in action, beginning on Thursday night, January 18th with a 41-36 win over New Diana. The game was pushed back two days because of the winter weather. Then on Friday, January 19th, White Oak fell to Daingerfield 60-38. Kaleb Sorgee lead the way with 12 points.

White Oak is now 7-18 on the season and 1-2 in district play. White Oak will be back in action on Tuesday, January 23rd with a home game vs Hughes Springs and then on Friday, January 26th with

a road matchup at home vs rival Gladewater. The Lady-Necks were also in action first on Thursday, January 18th as they fell to New Diana 51-28.

Then on Friday, January 19th, the LadyNecks fell to Daingerfield 32-24. The two losses dropped White Oak to 8-17 on the year and 1-4 in district play. The Lady Necks will be back in action on Tuesday, January 23rd with a home game vs Hughes Springs and then hit the road on Friday, January 26th, they will host rival Gladewater.

One of the definitions of

insanity is doing the same thing over and over expecting a different result. Maybe Jerry Jones didn't get the memo. Mike McCarthy is returning to coach the Dallas Cowboys another year. Or at least he will start the season.

Although it was considered an upset by the media and oddsmakers, the Cowboys' loss to the Packers wasn't really that shocking to longtime observers. After all, it has been 29 years since the team got to the NFC championship game. Their pattern for the last three years

#### has been to win 12 games in the regular season, give the fans a reason to hope "this

Hear we go again ...

"Coot's Corner"

will be our year!", then collapse in the playoffs. This year was especially

painful for Cowboy admirers. They were the number 2 seed in the playoffs, giving them the right to host at least two rounds in Jerry's World where they had not lost all year, and had averaged over 30 points per game. Dak Prescott had led the league in touchdown passes and CeeDee Lamb had more receptions than any other receiver. Their defense had

been outstanding all year, forcing turnovers, and applying consistent pressure to opposing quarterbacks.

Against Green Bay, Dallas slipped into playoff form. The offense was anemic until late in the game when some meaningless touchdowns made the final score closer than the game really was. The defense was pathetic. The Packers shoved the Cowboys around all day. Their offensive line allowed no sacks, running back Aaron Jones scored three touchdowns, and Jordan Love picked apart the secondary. There were several times that no defensive backs were within ten yards of the receiver.

It was a total team failure by the Cowboys. Something has to change, right? You can't get rid of the whole team, so usually the coach is held accountable. So, it may not be a big surprise that Dallas lost, but it is a huge surprise that Mike McCarthy wasn't fired.

How 'bout them Cowboys? That's one mans opinion. What's yours?

since the parties choose those.

Early voting opens on a Tuesday since Monday, Feb. 19, is the Presidents Day holiday, she explained Dates and hours, which Harle said are partly regulated by the state government, are 8 a.m.-5 p.m. Feb. 20-23; 7 a.m. to 7 p.m. Feb. 24, 9 a.m. to 3 p.m. Feb. 25 and 7 a.m. to 7 p.m. Feb. 26-March 1.

Under the county's "countywide" voting sytem, residents can cast their election-day ballots at any polling place in the county, but not vote in precinct races other than those involving the precinct where the citizen resides. For example, a voter living in county commissioner Precinct 3 could vote at a polling place located in county commissioner Precinct 1, but not cast a ballot in the race for Precinct 1 commissioner.

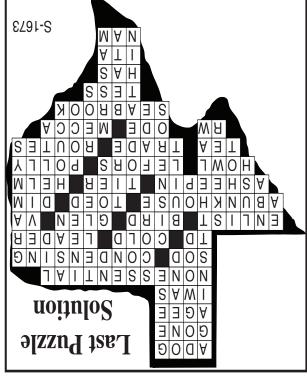

Among election day polling places are Indian Rock Baptist Church, East Mountain Community Center, Glenwood Water Supply Corporation, Ashland Masonic Lodge No. 1138, Redemption Worship Center (Assembly of God) in Gilmer, Walnut Creek Baptist Church, Ore City Community Center and Frontier Cowboy Church.

Others include Big Sandy Civic Center on Texas 155, Pritchett Community Center, St. James Baptist Church in Gladewater, Enon Community Center, Oak Hill Baptist Church, Rosewood Baptist Church and the Upshur County Library in Gilmer.

In other business, the court discussed, and commissioners expressed opposition to, the possibility of adopting a policy prohibiting the discharge of weapons in platted subdivisions.

The matter was on the agenda for discussion only, not a vote. County Judge Todd Tefteller said an unnamed citizen (who was not present) had asked him to put it on the agenda, and the judge termed it "a very divisive issue."

Tefteller said the court was "trying to get at" the "evil" of some people thinking it was right, while intoxicated, to shoot beer cans only 50-75 feet from a house. He added, though, that the person who contacted him was "talking about (shooting in) narrow, narrow lots" rather than 10-acre ones.

#### **NOTICE OF RATE CHANGE REQUEST**

Southwestern Electric Power Company (SWEPCO or the Company) publishes this notice that on September 29, 2023, it filed its Statement of Intent and Application for Authority to Amend Transmission Cost Recovery Factor (TCRF) with the Public Utility Commission of Texas (Commission) in Docket No. 55438. The filing was made in accordance with the Public Utility Regulatory Act (PURA) § 36.209 and 16 Tex. Admin. Code (TAC) § 25.239. The TCRF will recover SWEP-CO's reasonable and necessary costs for transmission infrastructure improvements as well as changes in wholesale transmission charges under a tariff approved by the Federal Energy Regulatory Commission (FERC) to the extent that the costs or charges have not otherwise been recovered. In this application, SWEPCO seeks to recover its transmission capital investments from July 1, 2022 through July 31, 2023. SWEPCO also seeks to recover through the TCRF approved transmission charges that are not otherwise being recovered through current rates. This notice is being published in accordance with PURA § 36.103 and 16 TAC § 22.51(a)(l).

#### **STATEMENT OF INTENT TO CHANGE RATES**

SWEPCO requests that the Commission approve an increase of \$3,461,491 above the revenue requirement approved by the Commission in SWEPCO's last TCRF proceeding, Docket No. 54040 for its Texas retail customers. This amounts to a 0.86% percent increase in SWEPCO's overall annualized Texas retail revenue requirement. SWEPCO proposes that its requested rate change become effective on November 3, 2023, which is 35 days after the filing of the Statement of Intent and Application. The proposed effective date is subject to suspension and extension by actions that may be taken by the Commission.

All customers in SWEPCO's Texas retail rate classes will be affected by this change. The impact of the rate change on various customer classes will vary from the overall impact described in this notice.

#### **CONTACT INFORMATION**

Persons with questions or who want more information on SWEPCO's Statement of Intent and Application may contact SWEPCO at 428 Travis Street, Shreveport, Louisiana 71101, or call toll-free at (888) 216-3523 during normal business hours. A complete copy of the Statement of Intent and Application and related filings is available for inspection at the address listed in the previous sentence.

Persons who wish to intervene in or comment upon these proceedings should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136. A request for intervention or for further information should refer to Docket No. 55438. Unless otherwise ordered by the presiding officer, motions to intervene will be due 45 days from the date SWEPCO filed its Statement of Intent and Application with the Commission.

# Candidate's forum set for Monday night

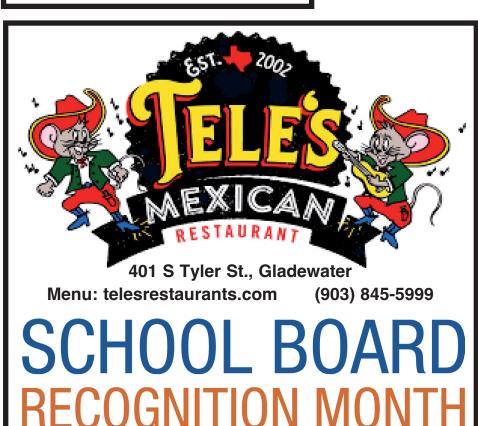

#### By Phillip Williams

The Cherokee Rose Republican Women's Club will hold a public forum in Gilmer on Monday night for candidates in the March 5 GOP primary.

The event is set for 6:30 p.m. at the Gilmer Civic Center on U.S. 271.

A free meal will be served starting at 6 p.m., said Cherokee Rose President Cynthia Ridgeway, who opposes incumbent Carl Byers in the race for Republican county chairman.

GOP candidates for local, state and federal public offices, and for local party offices, are invited to participate. Unlike the club's recent prior forum, written questions from the audience will be permitted.

# Gladewater weathered frigid conditions without much strain

#### **By James Draper**

Gladewater weathered last week's frigid conditions without too much strain.

"We did pretty good," city manager Charlie Smith said. Temperatures in the low teens locked up plenty of pipes, but they didn't bust as many as February 2021's Snowmageddon. That said, "We had some breaks after everything started thawing, on the homeowners' side. It started putting some strain on our main line on Cotton Street – we had two major Tennery."

The leaks ultimately drained the city's water tower, but pumps were able to at least keep pace until repairs were completed.

"We were staying status quo for about a day there," Smith added Friday, ready for the level to get back to normal over the weekend.

was ready for this storm: "They'd insulated a bunch of the lines so the chemicals kept flowing like they were supposed to. It was good to keep things going other than these breaks that we had. They kept that under control.

"I was on pins and needles, I'll be honest."

Notably, Gladewater's

they're just fitting right in with everything else."

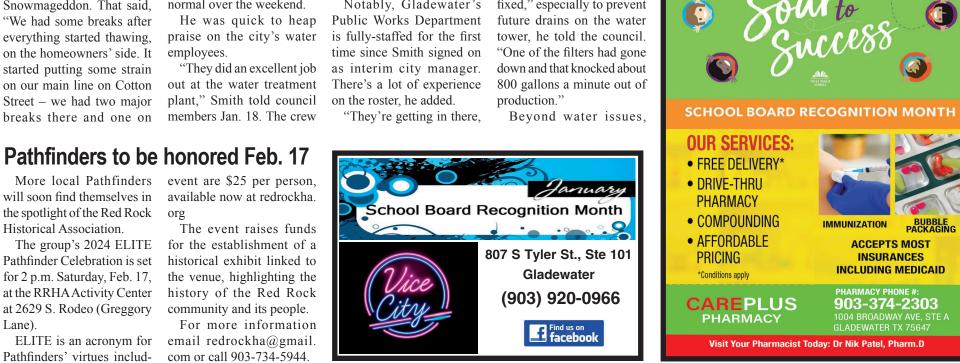

Beyond the winter weather, there are some ongoing issues with the water plant and filtration system that need to be addressed soon.

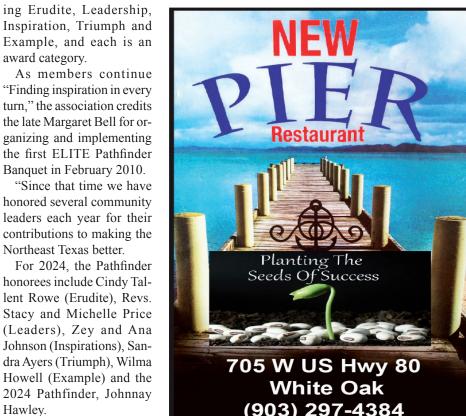

"This spring I'll be bringing some stuff to y'all because we've got to get that fixed," especially to prevent production."

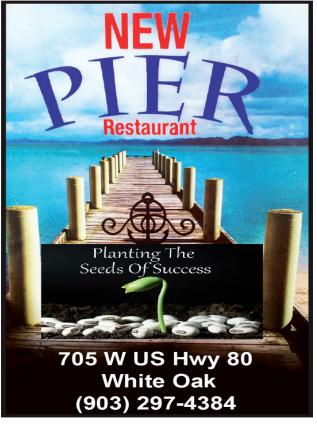

had less of an impact than it might have.

"You know, we didn't

overall the winter weather have the same effects that we had with Snowmageddon - lack of precipitation probably helped a lot here."
