## Gregg County officials urge vaccinations

COVID-19 cases on the rise in East Texas and expected to get much worse

**'We are about to face our darkest hours.'**

**Dr. John DiPasquale  
Christus GSMC  
Emergency Services**

By Suzanne Bardwell  
"I need you," Gregg County Judge Bill Stoudt said as he opened Monday's noon press conference about an overwhelming third wave of COVID. The "need" is to get the message out about the importance of getting vaccinated. Stoudt said that the seven day average of cases had risen 92% which is much faster than the past two waves of COVID in the greater Gregg County area.

Stoudt said that there was a 49% increase in COVID related hospitalizations among all ages and that deaths from the disease were up 15% and climbing. He went on to say that 75% of the current cases are due to the Delta variant in those who are not fully vaccinated.

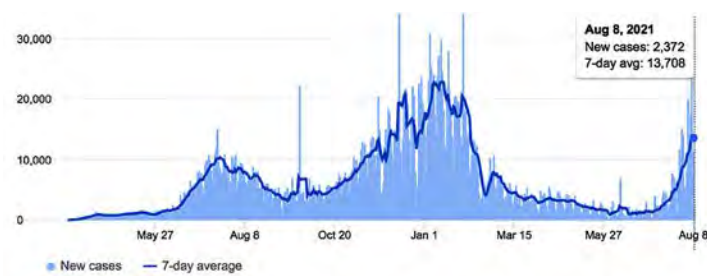

"Our community needs to take

care of each other," Stoudt said. "There are no new orders from the governor, or my office but I am begging you to encourage people to get vaccinated. You are saving lives when you do."

Stoudt said that there are 40 sites within the county where vaccinations may be administered at no cost to those seeking them. He also encouraged Gregg County citizens to wear masks, avoid crowds and to keep hands clean."

"This virus can be beat, but we need help," Judge Stoudt said. "We need everyone to understand the growing danger of this disease."

Dr. John DiPasquale, head of Christus GSMC Emergency Services spoke passionately about the latest battle with the

Delta variant of the COVID virus.

"I wish we were all here to celebrate a victory but we are not," he said. "We are about to face our darkest hours."

Dr. DiPasquale said that the clinical and nonclinical staff are demoralized.

"Nearly 100% of the patients we are seeing are unvaccinated," he said. "They are younger and struggling to breathe. Every death we have had came from someone else. Please avoid others if you have symptoms, wear your mask."

Dr. DiPasquale said that the FDA will give full approval to the vaccines shortly and the fact that the very ill are overwhelmingly unvaccinated is proof of its importance.

"Patients are coming in sooner, sicker and are deteriorating faster," he said. "We have not seen

or treated anyone with serious reactions to the vaccinations."

Symptoms include runny nose, slight fever, chronic cough or sneezing.

"By the time we see them they can't breathe," Dr. DiPasquale said. "With the Alpha strain the disease presented after about five days, with the Delta variant it is three and patients are running out

of time."

Christus Good Shepherd Medical Center CEO Todd Hancock said that the third wave poses a potential healthcare crisis.

"In January we peaked in cases but today we are already at half that number and it has happened in just a few weeks," Hancock said. "The state provided us with nurses and funding last time but not this time. We need a whole cadre of health care professionals. We have a void in our present situation."

Hancock said that he is reaching out to nurses in the area who are licensed.

"Nurses are the tip of the spear," Hancock said. "We are

asking in an unprecedented way to step up and help us."

Besides the shortage in staffing, he said that there is a growing shortage of available beds in the state.

"We have people in ER's all across Texas waiting for a hospital bed," Hancock said. "There are no beds available. You can help by getting vaccinated."

Longview Regional CEO Steve Gordon took time to thank first responders before he gave his stark warning. "If everyone were vaccinated we would have a hospital population of zero," he said. "Currently our emergency room is overwhelmed. If you are

## Car Show, Sip and Stroll this Saturday

This weekend promises to be a very busy, but fun and productive time for just about everyone.

It all begins Saturday, Aug. 14 at 9 a.m. with the Oil Field Special car, truck and motorcycle show on the downtown bricks. Awards will be handed out at 1 p.m. The event will include door prizes, lots of awards, and a 50/50 drawing. For more information; contact Ronnie 903-253-3213

Also on Saturday will be a special treat for art and wine lovers as the "Gladewater Annual Art & Wine Stroll" returns to the brick streets with art viewing, wine tasting, and shopping in the Antique Capital of East Texas.

\$1 sample tastings will be available from the 11 participating wineries. Tickets may be purchased at eventbrite.com or by calling 903-845-7054, or in-person at the check-in point at Walker Manor Bed & Breakfast 214 E Commerce Ave.

Ticket holders (must be 21 or older) will receive free food samplings at various locations, a wine glass, event bracelet, wine bag, and an opportunity to purchase \$1 sample tastings from the 11 participating wineries. In addition, free wine samples will be provided to ticket holders at the 2 bed & breakfasts in town and Gladewater Traders Mall.

## DPS urges drivers to be aware as school year begins

With the school year beginning in person for many districts across the state, the Texas Department of Public Safety is reminding the public of steps they can take to keep students and staff members safe. This includes slowing down in school zones, staying off cell phones and being aware at all times while around school buses.

"Going back to school is an exciting time for students, parents and staff, but it is paramount that drivers are more alert when around buses and schools," said DPS Director Steven McCraw.

DPS offers the following tips for school safety:

- Give students extra room and don't assume they are paying attention to traffic.
- Don't block a crosswalk when stopped at a red light or stop sign.
- Follow the directions of school crossing guards.
- Watch for children on bicycles traveling to and from schools.
- Reduce speed when you spot a school bus and know children may unexpectedly step into the road without checking for oncoming traffic.
- Be careful around railroad crossings. School buses are legally required to stop at them.
- Know laws regarding school buses. According to Texas law, if a bus has alternating flashing red signals visible from the front or rear, drivers MUST stop before reaching the bus. Drivers can only proceed if the flashing lights are no longer activated, the driver signals you to proceed or the bus has resumed driving. Approaching drivers do NOT have to stop for a school bus that is operating a visual signal if the road

# OPINION/EDITORIAL

## Gary Borders Capital Highlights

### Delta variant spurs huge increase in COVID-19 hospitalizations

The number of Texans hospitalized with lab-confirmed COVID-19 cases is increasing faster than at any other point since the pandemic began in early 2020, due to the highly contagious delta variant.

As of Sunday, the Texas Department of State Health Services reported 8,892 people were in Texas hospitals. That is up more than four-fold from a month ago. The Coronavirus Resource Center at Johns Hopkins University reported 96,807 cases in the past week and 384 deaths. That is nearly eight times the number of new cases reported a month ago and more than double the deaths.

In Austin, health authorities warned the public that a surge in cases has swamped hospitals, according to a New York Times report. Intensive-care units are near capacity, with only a handful of ICU beds available.

Gov. Greg Abbott has barred local governments and public schools from reinstating mask mandates but is urging people to get vaccinated against COVID-19. The vast majority of those hospitalized have not been vaccinated.

A total of 12.84 million Texans are fully vaccinated, about 44% of the state's total population, according to DSHS.

### Second special session underway; Dems AWOL

Abbott convened a second special session just hours after the first session expired but there still wasn't a quorum present to pass bills. Many Texas House Democratic legislators remained in Washington, D.C. in an effort to both block a quorum and lobby members of Congress to pass a federal voting rights bill.

Abbott has put forth a 17-item agenda that includes the election reform bill, bail reform, border security and other issues that were presented but not passed during the regular session.

"I will continue to call special session after special session to reform our broken bail system, uphold election integrity, and pass other important items that Texans demand and deserve," Abbott said when announcing the new session. "Passing these special session agenda items will chart a course towards a stronger and brighter future for the Lone Star State."

Texas House Democrats predictably were critical. State Rep. Ina Minjarez said Abbott is "wasting" taxpayers' money, chiding the governor in a tweet with the hashtag #StopGaslightingTexans.

### Additional month of legislative funding

Texas Capitol employees won't have to go without a paycheck in September after all.

Abbott vetoed a portion of the state budget that funds the Legislature and its staff after House Democrats walked out during the regular session. But Abbott, Lt. Gov. Dan Patrick, House Speaker Dade Phelan and others announced an additional month of funding for the Legislature before the second special session that began Saturday.

"Texans should not have to pay for Legislators who quit their jobs and leave unfinished business," Abbott said. "...Funding is being temporarily restored for legislative staff that will be necessary to pass critical legislation..."

## Gregg County officials urge vaccinations

Continued from Page 1

debating getting the vaccine stop and talk to your doctor."

Longview Regional Hospital Pulmonologist Dr. Glenn Genovese said that in his experience of working with COVID patients only one was vaccinated.

"This situation is something we have only seen in science fiction movies, now we are living it," Dr. Genovese said. "The success rate of the vaccine is amazing. All these hospitalizations are unnecessary. The vaccine is readily available."

Longview Mayor Andy Mack said that the issue now is self-responsibility.

"Vaccination is the only proven way to counter this virus," Mack said. "It is free and available. You don't want to be carelessly infect others. Now it is our job to do what is right. It is time to realize that masks work, social distancing works. We can not let our hospitals be overwhelmed. We have to do what is right."

Several of the speakers emphasized the growing danger to young and healthy individuals who are becoming seriously ill with the Delta variant.

"The people who come to the hospital are your friends and neighbors," Dr. Di Pasquale said. "No matter what I say, people have to see it and experience it. We have nothing to hide here but the truth."

### "...nothing to hide here but the truth"

Call me what you want to, I am past caring about rocks thrown at the 'media'. It is time to grow up and get real. If you don't read anything past this sentence in this newspaper read the story about Monday's press conference on the growing threat of the COVID Delta variant.

Our family knows first hand because my son's wife, our precious daughter-in-law lost her much loved Daddy to COVID on Saturday night. She was with him. As a highly skilled nurse practitioner she knows the importance of vaccination. She begged her father to get one but he believed the online 'fake news'. Now an entire family is missing their dad and grandad because of misinformation, conspiracy theories and the discrediting of medical experts and journalists.

Press conferences were held in Gregg and Smith counties Monday because of the growing threat of the COVID Delta variant. When an ER director of a regional medical facility says "we are about to face our darkest hours" we need to pay attention. Dr. John DiPasquale has no political agenda, growing numbers of critically ill patients, not enough medical staff, not enough hospital beds and he opened his remarks with

"We are about to face our darkest hours..."

Lord have mercy!

Apparently only about 40% of us are vaxxed. The Delta strain is attacking younger, healthier people in a shorter period of time. The CEO of Christus GSMC was begging for nurses and other healthcare workers because of a shortage. "Overwhelmed" was the word I kept hearing throughout the press conference.

You know what "overwhelmed" is when you get past the problems at hospitals, schools and businesses in a COVID environment? Losing people you love when you don't have to.

We don't have to close down. We do need to mask up. You know

## Suzanne Bardwell

why? Because those of us who are vaxxed can transmit the Delta variant if contracted to the un-vaxxed. The un-vaxxed can transmit to everyone else. Of course the vaxxed are most likely to weather exposure with a sniffle and a low grade fever. The un-vaxxed can leave a gaping hole in a family that can never be filled.

Every single press conference speaker which included the Republican County Judge, the Republican Mayor of Longview, the CEOs of two rival hospitals, an ER director and a pulmonologist all said the same thing. The only way to stop this disease is vaccination. THE ONLY WAY TO STOP IT...

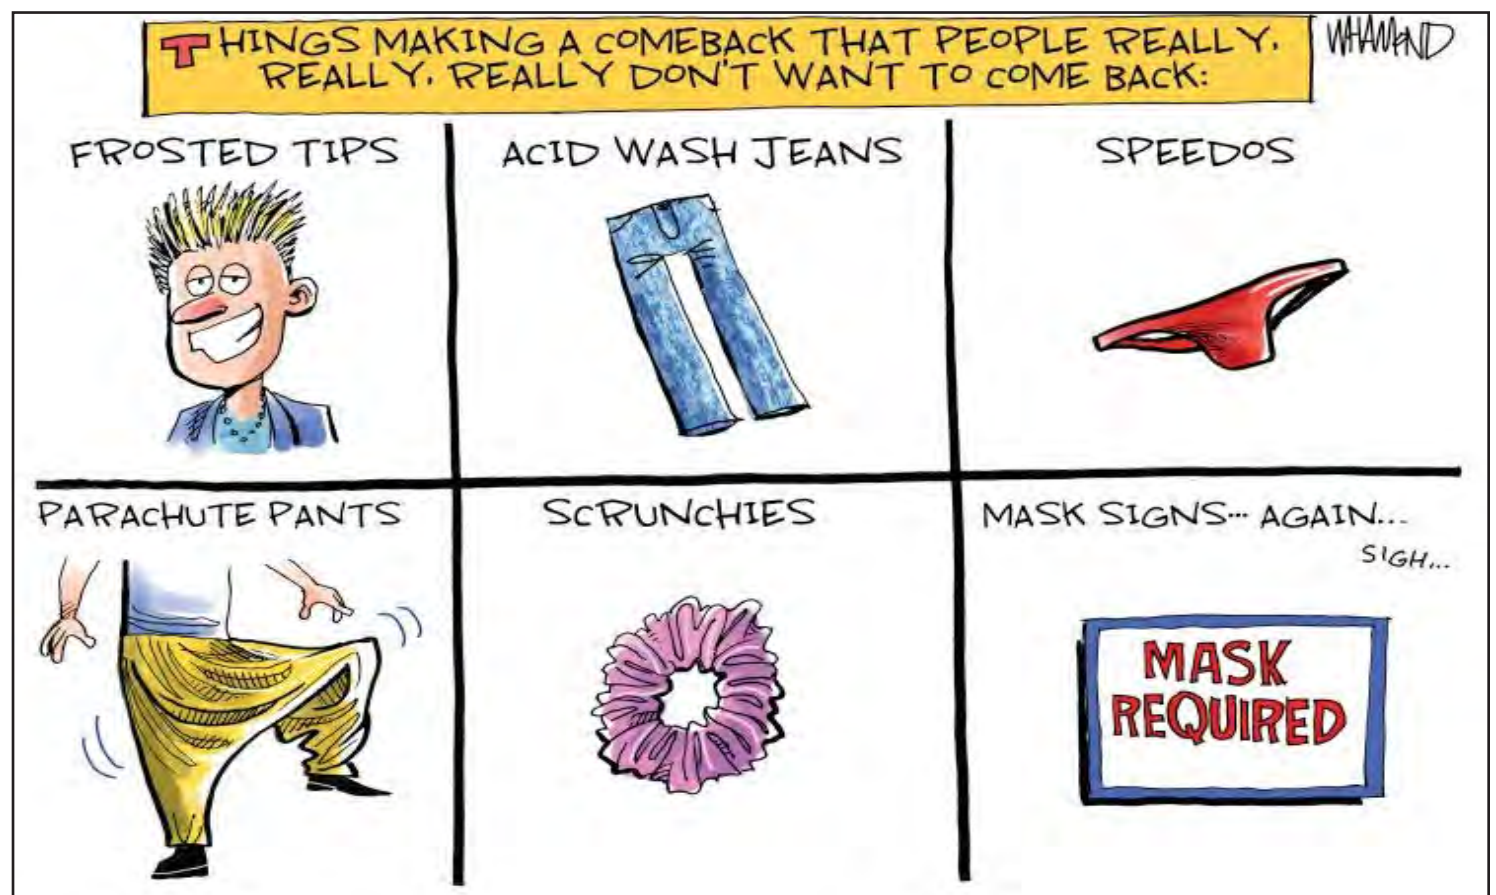

Wouldn't you like to be a part of the solution before it hits our elementary schools?

If you truly believe in the Golden Rule it is time to, as Mayor Andy Mack said, "be responsible and do the right thing get vaccinated".

Oh, and before you folks who get your education from unvetted internet sources, Facebook and word of mouth over licensed, highly educated, experienced medical doctors start throwing rocks at me I want to emphasize what Dr. DiPasquale said, "We have nothing to hide here but the truth."

NOTHING BUT THE TRUTH.

And dear friends and neighbors, I am writing about this TRUTH one more time because we genuinely care about you, about our greater community and our much loved families.

## THE ECONOMIST

By Dr. M. Ray Perryman

### Potential economic consequences of Texas and OU leaving the Big 12

The economic upheaval of 2020 impacted all corners of Texas. As centers of employment, the largest metropolitan statistical areas (MSAs) experienced the bulk of the heavy losses as the state responded to the COVID-19 crisis. About 79.3% of

1.4 million jobs lost between February and April 2020 were concentrated in the state's six largest MSAs. However, recovery is ongoing, with the pace varying depending on industrial composition and other factors. Let's briefly explore the current status of the state's primary population centers and my latest economic projections. Austin-Round Rock-Georgetown MSA lost 137,000

jobs from February to April 2020; as of June, employment was only 5,400 jobs below the pre-pandemic peak. We expect almost 140,000 net new wage and salary jobs to be added over the next five years (2.47% per annum growth).

Dallas-Plano-Irving employment remains 21,700 below prior levels after a loss of about 299,200 jobs between February and April 2020. We forecast an addition of nearly 351,900 net new positions through 2025, a 2.49% yearly pace.

Fort Worth-Arlington-Grapevine conditions have improved substantially after February-April 2020 losses of 126,200, but employment remained 31,300 below the previous peak as of June.

Austin-Round Rock-Georgetown MSA lost 137,000 jobs, a 2.34% per annum gain.

El Paso employment is 11,200 below the February 2020 level, but has recovered many of the 36,800 jobs lost in the early months of the pandemic. We project close to 38,700 net new jobs by 2025, a 2.13% annual rise.

In the Houston-The Woodlands-Sugar Land MSA, which is heavily impacted by both energy and shipping, employment remained 147,900 below pre-pandemic totals in June but had recovered significantly from the loss of 361,400 in the spring of 2020. Things should improve notably over the next five years, with wage and salary employment up nearly 399,800 jobs during the period (a 2.44% yearly pace).

McAllen-Edinburg-Mission is 7,500 below the pre-pandemic employment but has regained a majority of the 28,100 jobs

lost. Our latest forecast calls for employment to expand with a yearly growth rate of 2.40% for an increase of over 34,500 jobs by 2025

For San Antonio-New Braunfels, the first few months of the pandemic led to losses of 131,000 jobs, and June employment remained 10,800 below February 2020. Close to 137,300 net new jobs are expected to be created through 2025 (a 2.39% annual rate).

Smaller MSAs have seen similar patterns, with a few even exceeding prior peaks. The pandemic hit hard, but the economy is on track to recoup aggregate losses by early next year, with notable momentum in all major markets. Assuming that the Delta variant does not bring additional disruptions, we expect these recovery patterns to persist. Stay safe!

### ACCEPTING CHRIST AS YOUR PERSONAL SAVIOR

In answer to the question: "What must a person do in order to be saved?" often the answer given is "One must accept Jesus as their personal Savior," without explaining what is involved in doing so. Often these same people teach that baptism is not essential to being saved, but it is only an outward sign of inward grace i. e. one is baptized to show they are already saved. Let's examine this in light of accepting Jesus as one's personal Savior before one is baptized.

First, to be saved one must be "in Christ" where salvation is (2 Tim. 2: 10). The question is: "how does one get into Christ?" The answer is: one is "baptized into Christ Jesus." (Rom. 6: 3; Gal. 3: 27). Second, Christ is the "Head" of the church. (Eph. 1: 22; 5: 23), which is His "body" (Col. 1: 18; 1 Cor. 12: 27). Third, Christ is the "Savior of the body," which we have learned is the church. The question is: "how does one get into the church?" First Corinthians 12: 13 says: "For by one Spirit, we were all baptized into one body (church)." Fourth, one enters into Christ and into the body, which is the church, the same way and at the same time, when he is baptized. It follows then, that if one is saved before he is baptized, he is saved "out of Christ," and "out of the church (body), because one is "baptized into both Christ and the church synonymously. Therefore, how can one accept Jesus as his personal Savior if he is not in the Christ's church of which He is the Savior? In order for Christ to be one's Savior, one must be in Christ and in His church, which Christ adds one to when he is saved, and one is saved when he is baptized. (Mk. 16: 16; 1 Pet. 3: 21; Acts 2: 37,38, 41, 47). One must accept Christ as his personal Savior, but the acceptance must be on Christ's terms. Think on these things.

# WHAT'S HAPPENING

## Rotary Golf Tournament set

The Gladewater Rotary Club will host its 15th annual golf tournament on Oct. 23 at Woodhollow in Longview. The entry fee is \$75 per person, \$300 per team for the 4-man golf scramble.

Lunch will be provided at 11:30 a.m. and a shotgun start at 1 p.m. The entry fee includes putting contest, lunch, green fee, cart fee, driving range and door prize ticket.

Prizes will be awarded for the long drive and closest to the hole. Cash prizes include \$400 to the first place team, \$250 for second place team and \$175 for third place team. \$5 per player for two mulligans will also be available. All proceeds go to support four \$1,000 student scholarships, a \$500 military scholarship and Rotary Youth Leadership camps.

To sign up contact Sam Cloud at 903-844-2205 or send check to the Gladewater Rotary at P.O. Box 17, Gladewater, 75647.

## Pandemic help for timber harvesters, haulers

Texans who make a living cutting or hauling timber, or processing wood by chipping or grinding, are eligible for grants from a fund of up to \$200 million provided by the U.S. Department of Agriculture under a pandemic assistance program. The new program, Pandemic Assistance for Timber Harvesters and Haulers (PATHH), encourages timber harvesters and haulers to apply. The deadline is Oct. 15.

"We Texans pride ourselves on our rugged individualism and self-reliance. However, when the entire forestry supply chain crashed as a result of the pandemic response, it was more than just a hurdle to overcome," said Rob Hughes, executive director of the Texas Forestry Association. "That's why TFA and Texas A&M Forest Service, along with many other partners, have been actively involved in pushing for the Logger Relief Act, which passed in the last federal pandemic relief bill." Loggers and truckers can apply for PATHH by working with their local Farm Service Agency office. To find a local office, go to [farmers.gov/service-locator](https://farmers.gov/service-locator) or call 877-508-8364.

## Bass tourney set to help fallen deputy

A benefit bass tournament for the family of the late Upshur County Sheriff's Office investigator Marc Rider is set Sept. 4 at Lake O' The Pines/Cedar Springs Landing.

Rider, 46, collapsed at his Diana area home July 1 after getting off work that day, and died early that evening in a Longview hospital from what the sheriff's office said was a heart attack. The investigator, who had worked for the sheriff's office for nearly seven years, is survived by his widow Aimee, and two children, Jake, 12, and Ava, 8.

The tourney, set from 6:30 a.m. to 2:30 p.m., is co-sponsored by the sheriff's office, former Upshur County Constable Mike Kuza and Skeeter Boats. It will feature a guaranteed first place prize of \$1,000, while donated cash prizes will also be awarded for the top three places and big bass, says a flyer promoting the event.

Those who do not want to fish, but want to help with the fund-raiser, may donate prizes for a raffle, and/or buy raffle tickets, said Kuza, the tournament director. Entry fee is \$50 per person, payable at the ramp, with a three fish stringer allowed per boat.

For more information, call Kuza at 903-790-1342.

## Oil Patch TRTA to meet

The Oil Patch TRTA chapter invites all TRS retirees who have retired from Texas public schools and colleges to attend its first meeting on Thursday, Aug. 26 at 1:30 p.m. at Gladewater's First United Methodist Church. The meeting will be held in Jeter Hall. All TRS retirees are warmly encouraged to attend.

## Storytime on tap in Gilmer

Two books will be read to small children at each of the Upshur County Library's two weekly "Storytime" sessions Thursday in Gilmer. "I Am Enough" by Grace Byers, and "You Matter" by Christian Robinson, will be presented at the 10 a.m. and 4:15 p.m. sessions, said the library's children's coordinator, Kari Dunn.

The library is at 702 W. Tyler (which is also Texas Hwy. 154.)

The events are free to the public, but children under age 12 must be accompanied by an adult. For more information, contact the library at (903) 843-5001 or visit its website at [www.youseemore.com/upshur](https://www.youseemore.com/upshur).

## City needs volunteers

The City of Gladewater wishes to encourage community involvement by engaging citizens of diverse backgrounds, skill sets and innovative ideals to serve on the following city boards:

Airport, Beautification, Gladewater Economic Development

## NEIGHBORS HELPING NEIGHBORS

Manna House has plenty of peanut butter at this time but it is missing its' companion grape jelly. Now that school is starting the kid-friendly sandwich staples are popular with families. Food donations may be dropped off at Manna House in the southwest corner of City Hall on Broadway Mondays, Wednesdays or Fridays from 9 a.m. until 11 a.m. or at the Gladewater Mirror newspaper at 211 N. Main St. weekdays during business hours. Financial donations may be mailed to Manna House, P.O. Box 808, Gladewater, 75647.

Photos By Suzanne Bardwell

The Clothes Closet is open Mondays, Wednesdays and Fridays from 9 a.m. until 10:45 a.m. There is a large selection of clothing at this time. The community clothing ministry is located behind Manna House in the southwest corner of City Hall on Broadway.

Corporation, Lake, Planning & Zoning Commission and Zoning Board of Adjustments. If you are interested in serving, pick up an application form from City Clerk Judy Van Houten, Gladewater City Hall, 519 E. Broadway, or access it from the city website at [www.cityofgladewater.com](http://www.cityofgladewater.com). Each respective board will review applications and submit recommendations to the City Council for consideration.

## Foster Care/adoption event August 22

New Beginnings Baptist Church will host a Bruschetta Bar Dinner and foster care/adoption event to recruit families. The event is free with pre-registration. Families interested in foster care and adoption as well as those who want to support those who foster and adopt are invited. The event is Aug. 22, from 5-7 p.m. at New Beginnings Baptist Church at 2137 E. George Richey Road in Longview. Enter the East Entrance. To pre-register go online to [nbbctx.org](https://nbbctx.org) and go to the events button.

## Blood drive on tap in Gilmer area

Carter BloodCare of Tyler plans three blood drives in Upshur County this month, including two next week, and donors can receive a free tee-shirt while supplies last.

The shirts commemorate the upcoming 20th anniversary of the Sept. 11, 2001, terrorist attack on New York City and Washington, D.C., which claimed more than 3,000 lives.

Tractor Supply on U.S. 271 in Gilmer will host a drive from 1 p.m. to 5 p.m. Sunday. For more information, contact Mike Gee at 903-843-4444. The Ore City school's Student Council will host a drive at the school from 4:30 p.m. to 7:30 p.m. Monday during the Ore City Community Health Fair. For more information, call the school at 903-968-3300. Stanley Ford on U.S. 271 in Gilmer will have a drive from 9 a.m. to 2 p.m. Saturday, Aug. 21.

For more information, contact Michele Hooks at 903-843-2521.

# OBITUARIES

## JANET LEA HICKMAN LEATHERMAN

Janet Lea Hickman Leatherman, 68 of Winona, passed away Monday, August 2, 2021; and was welcomed into heaven by her family that has gone on before her.

Janet was born November 29, 1952 in Grapevine, to the late Nick

Hickman and Odie Vee Perkins. She worked for twenty plus years as a cook at the local Gladewater Dairy Queen and enjoyed the opportunity to teach and mold the young kids that she worked with. She married Michael Leatherman, January 26, 1977 and together they enjoyed spending their time together with family and friends.

Janet is survived by her grandsons, Kaiden Hansen, Jaiden Redmond, and Jaxx Redmond, sister, Cindy Ryals and fiancée, Robert of Sanford, FL; step-son, Scott McCook;

nephews, Jamison Hickman and wife, Misty, Matthew Ryals and wife, Tabitha and Nicholas Ryals and Amanda; nieces, Nichole Czomba and husband, Derek, and Mindy Carroll and husband, Ted; great-nephews: Connor, Pierce, and Zane Czomba, Mikah Hickman, Brycen Ryals, Jude, Cale, and Tate Carroll, and Bennett Ryals; great-nieces, Saige Hickman and Avery Ryals and numerous extended family and friends.

She is preceded in death by her parents, Nick and Odie Hickman;

husband, Michael Leatherman; daughter, Nikki Hansen; brother, Jimmy Hickman, and sister, Rhonda Hickman.

Graveside services for Janet were Saturday, August 7, 2021 at Friendship Cemetery in Gladewater. The family received friends from 10:00 A.M. until 12:00 Noon, Saturday August 7, 2021, at Croley Funeral Home in Gladewater.

The family requests in lieu of flowers, memorial be made in Janet's honor to Hospice of East Texas, 4111 University Blvd., Tyler, Texas 75701

Online tributes and condolences can be made at [www.croleyfh.net](http://www.croleyfh.net)

## MARY ANN BAKER-HOLMES

Mary Ann Baker-Holmes, who suffered with Alzheimer's disease for several years, died at home on Thursday, July 29, 2021, in Winter Park, Florida. She was 80 years old.

She was born on September 9, 1940, in Gladewater, the daughter of Charles Dana Williams and Lula B. Mangham. She lived

and attended public schools in Gladewater, graduating from high school in 1958. She earned a B.S. in Elementary Education from the University of Texas in 1962 and taught high school English in Houston for one year. She then attended Vanderbilt University to obtain special certification for her teaching career. There she met her first husband, William T. "Bill" Baker. After they married, they settled in Orlando, Florida. They had three beautiful, talented children. Though their success is their own, she was very proud to be their mother. She became a licensed real estate broker in Florida and after brief stints with Huskey Realty and the Winter Park Land Company, she built her own very successful brokerage in Winter Park, Mary Ann Baker, Inc., where she was known as "The Lakefront Leader." In 1995 she sold her company and returned to college, earning a Master's Degree in counseling from Rollins College in 1997. After graduating, she built a successful therapy practice in Winter Park. In 2005, she closed her practice and moved with her second husband, John V.A. Holmes, to Breckenridge, Colorado, where she dedicated her time to her truest passions, skiing, gardening, and family. Her greatest joy was to have her children and grandchildren gather in Colorado.

Mary Ann was able by some miraculous process to accomplish whatever she set her mind to. She could not be deterred once she set her mind on a goal. She would always reach her objective in short order. She was a courageous breast cancer survivor, having undergone intense chemotherapy and radiation. Throughout her cancer treatment she continued to sell houses, making a bald head seem chic. She was known for her charm, for her stylish flair, and for her dancing. Mary Ann was fun! Delightful. She will be sorely missed by all those who were lucky enough to have known her. She is survived by her husband John V.A. Holmes; by her children, D. Scott Baker, a lawyer in Orlando, and his children Ava and Jake; Jennifer Baker, an artist and translator who splits her time between Italy and Colorado, her husband Aldo Rampini, and their children Jonah and Dana; and W. Brett Baker, of Georgetown, South Carolina, Director of Fundraising for Ducks Unlimited, his wife Carolyn, and their children Taylor and Lauren. She is also survived by her Sister Donna Ralston of Corsicana, Texas. To her grandchildren she is Nonna Mary Ann.

There will be a Memorial Service held for Mary Ann on Monday, August 23rd, 2021, at Baldwin-Fairchild Celebration of Life Center, 7520 Aloma Avenue, Winter Park, Florida 32792 at 2 p.m..

In lieu of flowers, please make a gift to The Alzheimer's Association ([act.alz.org](http://act.alz.org)) or Compassion & Choices ([compassionandchoices.org](http://compassionandchoices.org)) in Mary Ann Baker-Holmes name.

## HOST AN EXCHANGE STUDENT TODAY!

**Pablo from Spain, 17 yrs.**  
Loves soccer and would like to learn to play baseball. Pablo is a boy scout and enjoys the outdoors.

(for 3, 5 or 10 months)

Make this year the most exciting, enriching year ever for you and your family. Welcome a high school student, 15-18 years old, from Belgium, Italy, France, Netherlands, Norway, Denmark, Spain, Germany or Thailand as part of your family for a school year (or less) and make an overseas friend for life.

For more information or to select your own exchange student please call:

**Julie from Denmark, 16 yrs.**  
Enjoys gymnastics, swimming and photography. She's positive, fun loving and easy to get along with.

**Texas Commission on Environmental Quality**

**NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER RENEWAL PERMIT NO. WQ0010433002**

**APPLICATION AND PRELIMINARY DECISION.** City of Gladewater, P.O. Box 1725, Gladewater, Texas 75647, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0010433002, which authorizes the discharge of treated domestic wastewater at an annual average flow not to exceed 1,400,000 gallons per day. TCEQ received this application on November 17, 2020.

The facility is located at 1025 South Roden Lane, Gladewater, in Gregg County, Texas 75947. The treated effluent is discharged directly to Sabine River Above Toledo Bend Reservoir in Segment No. 0505 of the Sabine River Basin. The designated uses for Segment No. 0505 are primary contact recreation, public water supply, and high aquatic life use. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbdd36of816825of&marker=-94.944444%2C32.5205-55&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Gladewater City Hall, 519 East Broadway Avenue, Gladewater, Texas.

**PUBLIC COMMENT/ PUBLIC MEETING.** You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

**OPPORTUNITY FORA CONTESTED CASE HEARING.** After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.** If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

**TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST:** your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.** TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.

**EXECUTIVE DIRECTOR ACTION.** The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

**MAILING LIST.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

**All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, TX 78711-3087 or electronically at [www14.tceq.texas.gov/epic/eComment/](http://www14.tceq.texas.gov/epic/eComment/) within 30 days from the date of newspaper publication of this notice.**

**INFORMATION AVAILABLE ONLINE.** For details about the status of the application, visit the Commissioners' Integrated Database at [www.tceq.texas.gov/goto/cid](http://www.tceq.texas.gov/goto/cid). Search the database using the permit number for this application, which is provided at the top of this notice.

**AGENCY CONTACTS AND INFORMATION.** Public comments and requests must be submitted either electronically at [www14.tceq.texas.gov/epic/eComment/](http://www14.tceq.texas.gov/epic/eComment/), or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Any personal information you submit to the TCEQ will become part of the agency's record; this includes email addresses. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at [www.tceq.texas.gov/goto/pep](http://www.tceq.texas.gov/goto/pep). Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from City of Gladewater at the address stated above or by calling Mr. Travis Reed, P.E., Schaumburg & Polk, Inc., at 903-595-3913.

Gladeater firefighters and police officers responded to a wreck near the Round Up Rodeo grounds last Tuesday afternoon. Despite the severity of damage to the vehicle, the driver and passengers were reported to have no life threatening injuries. Photo By Suzanne Bardwell

DPS urges drivers to be aware as school year begins

Continued from Page 1

is separated by a physical barrier or an intervening space. If a highway is only divided by a left-turn lane, it is not considered divided and drivers must stop for school buses.

● Drivers who illegally pass a school bus face fines up to \$1,250 for the first offense. For people convicted of the offense more than once, the law allows for the person's driver license to be suspended for up to six months. A ticket for this offense cannot be dismissed through defensive driving. Criminal charges are possible if a driver causes someone serious bodily injury.

● Always obey speed limits and traffic laws in school zones.

● Remember, texting while driving is illegal in Texas.
